

On Oct. 10, 12 & 14

Cornerstone Care to bring its mobile dental unit to Lafayette Elementary-Middle School

Cornerstone Care will bring its mobile dental unit to the Lafayette Elementary/Middle School in the Uniontown Area School District on Oct. 10, 12 & 14.

Parents who are interested in having their children participate in the program need to return their completed and signed registration packets to the school by Sept. 19. The packets were sent home with children at the beginning of the school year.

Cornerstone Care, a network of nonprofit federally qualified health centers in southwestern Pennsylvania, offers dental care to children in school districts and Head Start programs throughout Greene, Fayette, Washington and Somerset counties.

For more information about the program, call Cindy Ekas-Brown, outreach specialist, school services, at (724) 852-1001, ext. 305 or (724) 802-0908.
